## Questions for Your Doctor about a Chest X-Ray

The following questions can help you talk to your doctor about having a chest X-ray. Consider printing out or writing down these questions and taking them to your appointment. Taking notes can help you remember your doctor's response when you get home.

## **QUESTIONS ABOUT YOUR CHEST X-RAY**

- □ What are the possible benefits of having a chest X-ray?
- □ What are my individual risks from having a chest X-ray?
- □ How can one prepare for a chest X-ray?
- □ How long does a chest X-ray take?
- □ How much radiation will I be exposed to during the test?
- □ What happens next if the chest X-ray shows something that needs further examination?
