

Questions to Ask Your Doctor About Cardiac Enzyme Tests

The following questions can help you talk to your physician about cardiac enzyme tests. **Print out or write down these questions and take them with you to your appointment.** Taking notes can help you remember your physician's response when you get home.

- Do you think I have had a **heart attack**?
- Do the cardiac enzyme test results show that I have had a heart attack?
- **What happens next** if I have had a heart attack?
